THIS COMPETITION IS THE FIRST OF ITS KIND TO BE HELD IN LIVERPOOL. SO, IF YOU SEE THEM, CONGRATULATE THE SPORTS TEAM! THIS IS A ONE OF A KIND AN ACHIEVEMENT AND THE GATEACRE SPORTS DEPARTMENT COULDN'T BE PROUDER.

Arts AWARD 2024

A group of Year 10 students who participated in the Arts Award project have also collaborated with the [Open Eye Gallery](#), a wonderful photography gallery located on Liverpool's waterfront.

Excitingly, their exhibition opened last month! This digital showcase features photographs they took around school, capturing their identity and environment, and is aptly titled 'Through Our Eyes'. The exhibition is free and will run until Sunday, so if you find yourself in Liverpool, it's definitely worth checking out.

THE WANDERING WORDS SOCIETY

TWWS have started their ekphrastic poetry explorations ready for their poetry showcase in October.

They recently spent a whole afternoon exploring our local nature spot, had a picnic in the woods, and started writing our poems, inspired by just 'being'.

With a bigger co-hort of poets than last year, this is a poetry exhibition to beat!

SAVE THE DATE

The Wandering Words Poetry Exhibition will be taking place in October! Watch this space!

OUR JUNIOR JOURNALIST ETHAN COSSACK CAUGHT UP WITH A COUPLE OF THESE INCREDIBLE ARTISTS TO FIND OUT MORE ABOUT THEIR EXPERIENCE..

Q: How do you feel that you were selected for the Art Award?

Imogen: I'm quite surprised that I was chosen

Violet: I'm also surprised and I'm happy

Q: Are you excited for your work to be shown?

Imogen: Yeah, I'm really happy for our work to be seen.

Violet: Same here.

Q: How long did it take you to complete the project?

Violet: We started in about November or December but we had scattered sessions until a couple weeks ago. And we're super happy that we had the freedom to create what we wanted. In art usually, our lessons are really structured around a certain theme that we recreate and such but we had the freedom to create whatever we wanted.

ART EXHIBITION

The Art Exhibition was a fantastic evening where students art work across the year were showcased in a fantastic art filled Maze. As audience members made their way to the exhibition they were greeted by our wonderful Drama stars dressed up as live paintings! The Art Department is also thrilled to share that some of our Year 9 students have their artwork showcased at the Walker Art Gallery. This gallery features some of the UK's most significant paintings. Our students' pieces will be displayed alongside masterpieces from the Renaissance by artists such as Rembrandt and Turner, Impressionist works by Monet and Degas, and contemporary pieces by Hockney. This is a remarkable accomplishment for our young artists!

Gateacre CHESS CLUB

What an amazing performance the kids from the Chess Club at Gateacre School have showed in the competition!

Going up against various schools all over the region, the Gateacre School Chess Club continued their mission to compete at the top level in the region yesterday with a promising performance at the Chess in Schools and Communities Summer Competition, hosted by Cardinal Heenan. Gateacre School went up against a total of 20 teams from 10 different schools all took part with age groups ranging from Year 6 all the way up to Year 13!

STEM MUSEUM NIGHT

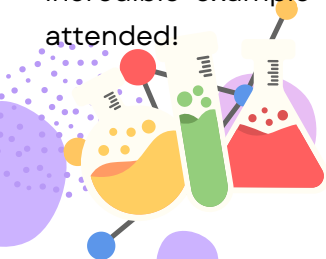

The first ever Gateacre Science Museum was a huge hit! Lots of messy science fun was had. The budding scientists were taken on an exciting and vibrant journey through lots of different science stations and experiments such as, slime making, Oobleck punching, egg parachutes, mysterious invisible ink. There were also some famous cameos from our resident reptiles! Science introduced Sasha the Snake, Winnie the Terrapin and an ensemble of stick insect family. Miss White wanted to give a special mention to how proud she is of the wonderful pupils who helped out! It sounds like a fantastic night had by all and you were an incredible example to the primary school pupils who attended!

MUSIC SUMMER CONCERT

Our school's summer concert was a huge hit, ending with a roaring applause from the audience. The highlight was definitely the Pop Voices' rendition of Fleetwood Mac's "Chains," which was a phenomenal example of how powerful collective voices can be. Another standout moment was the students' energetic performance of the classic "Mustang Sally," which had everyone on their feet. Musicians from all year groups brought the show alive with their impressive talent and enthusiasm. Adding to the buzz, our news reporters were all in attendance and unanimously agreed that the performances were the best they had seen yet!

Our dedicated staff, and vibrant student community made this concert a night to remember, leaving everyone eagerly anticipating the Carol concert - you hear that Mr News?!
