**North Liverpool Regeneration Company** provide apprenticeships in construction trades, placing young people with employers. Young people in particular benefit from coaching and mentoring support.

**O2 Telefónica UK Limited** is a telecommunications services provider in the United Kingdom owned by the Spanish multinational Telefónica. It is the second-largest mobile telecommunications provider in the United Kingdom after EE Limited.

**PSS** has been around for nearly 100 years. It is an organisation that has developed some of the best known names in community support including Age Concern, the Citizen's Advice Bureau and Legal Aid. They sit alongside Local Government and NHS services plugging the gaps and providing 'on the ground' support for a wide array of people and help them find new and practical ways to get the most out of life by encouraging people to choose their own support.

**STEM Ambassadors** use their enthusiasm and commitment to encourage young people to enjoy STEM subjects. They open the doors to a world of opportunities and possibilities which come from pursuing STEM subjects and careers. STEM Ambassadors not only inspire young people, they also support teachers in the classroom by explaining current applications of STEM in industry or research.

The **Royal Air Force (RAF)** is the United Kingdom's [aerial warfare force](#). Formed towards the end of the [First World War](#) on 1 April 1918,<sup>[2]</sup> it is the oldest independent air force in the world.<sup>[3]</sup> Following victory over the [Central Powers](#) in 1918 the RAF emerged as, at the time, the largest air force in the world.<sup>[4]</sup> Since its formation, the [RAF has taken a significant role](#) in [British military history](#), in particular, playing a large part in the [Second World War](#) where it fought its most famous campaign, the [Battle of Britain](#)

Royal Navy is the United Kingdom's principal naval warfare force. Naval forces were first used by Alfred the Great in the 9th century, and from the early 14th century England's navy was engaged in maritime warfare. The modern Royal Navy traces its origins to the early 16th century; the oldest of the UK's armed services, it is known as the Senior Service. A job in the Naval Service means adventure, camaraderie – and lifelong prospects. Everyday you make a difference. And no two days are the same. You could be policing the world's oceans, delivering humanitarian aid when natural or man-made disasters strike. Or you could be deployed in combat. No matter what job you do, you'll be a key part in operations around the world. Are you ready to go places?

**Training Plus** offers apprenticeships in barbering, business & administration, childcare, customer service, and hairdressing.

**University of Chester** The **University of Chester** is a [public university](#) located in the historic city of [Chester](#), England. The University, the first purpose-built teacher training college in the UK, based in five [campus sites](#) in and around Chester and one in [Warrington](#), offers a range of [foundation](#), [undergraduate](#) and [postgraduate](#) courses, as well as undertaking [academic research](#).

**University of Liverpool** was founded in 1881. It gained its royal charter in 1903 with the ability to award degrees and is also known to be one of the six original "red brick" civic universities. It comprises three faculties organised into 35 departments and schools. It is a founding member of the Russell Group of research-intensive universities.
