

Genie Tutors and Family Go Live Sponsored Tuition Place

Dear Parent/ Carer,

Would you like the opportunity for your child to receive free tuition in English, Maths or Science?

Genie Tutors Liverpool and Family Go Live Magazine have teamed up to help a child in the community by sponsoring them for three months of tuition.

At Genie Tutors we understand that all children learn at their own pace. Some need an extra helping hand, others need to be inspired and motivated whilst some need an extra challenge to help them achieve their full potential.

Personalised Tuition

We create individualised programmes of study in Maths, English and Science to help children achieve better results. Working at your child's own pace and using challenging activities we will foster confidence and help develop understanding of specific subjects.

Getting the Results you Deserve

Each session is tailored to your child's needs and you're involved at every stage to make sure that we're meeting your personal targets and providing important individual support. After every session we'll feedback to you the progress your child has made, listen to your views and discuss what the next steps will be in the weeks to come.

To apply for the sponsored place please go to the Family Go Live website at www.familygolive.com. If you have any questions you can contact me using the details below.

Yours sincerely,

Emile Abed
Genie Tutors Liverpool, Centre Manager
